

Call For Papers

Announcement

IADAT-e2007 Conference is organized by the International Association for the Development of Advances in Technology - IADAT. In order to achieve IADAT main objectives, namely "to bring together Universities, Research Institution and Industry, and also to promote collaboration and foster cooperation", IADAT announces its 4th International Conference on Education. This Conference will be held in Palma de Mallorca from 5th to 7th July, 2007, at the Pueblo Español Congress Palace Palma (Spain).

The third International Conference on Education was held in Barcelona (SPAIN) from 12th to 14th July, 2006, at the Catalonia Palace of Congresses (Spain). The fact that in each of the Conferences on Education held there have always participated representatives from more than 22 countries is a clear evidence of the International Scope of the Conferences, which is continuously growing.

(The abstract papers of the IADAT-e2006 Conference are available in PDF format).

Main Purpose

The main goal of the IADAT-e2007 Conference is to provide an international forum for researchers, engineers, scientists and technologists, representing a large variety of organizations such as universities, research institutes and industry in all areas of High Education.
